TRILLIONS

$3.2

$4.5

$5

By 2016, 30% of fee-for-service payments will move to value-based programs. By 2018, 50% will move.

Only 52 of 430 Shared Savings ACOs were able to meet quality-of-care benchmarks and keep spending below budget targets in 2015.

7 OF 10 DEATHS ATtributed to CHRONIC DISEASES

95% of healthcare costs for older Americans can be attributed to chronic diseases.

66% of Medicare beneficiaries have two or more chronic conditions and 26.4% have four or more.

95% healthcare costs

AVOIDABLE READMISSIONS

CMS estimates that $17 billion of the $26 billion spent on readmissions were potentially avoidable.

$17

$26

BILLIONS

Reimbursement

CMS is now paying providers for delivering non-face-to-face care to their Medicare patients with two or more chronic conditions.

For non-face to face care
